

KARATEKA

To Load: Turn on your computer. Insert cassette. Press SHIFT and RUN/STOP together. Press PLAY on cassette deck. Plug your joystick into Port 2. After loading, title sequence will begin followed by a Prologue and a self-running demo. Press any key or joystick button to start game.

After being killed, rewind the tape to start of side 2. Press RETURN and then press PLAY. Leave PLAY depressed during gameplay. This reduces the obligatory re-loading of the program. Press FIRE to skip demo.

See Inlay for further details.
